

5TH EURO-MEDITERRANEAN CONFERENCE
FOR ENVIRONMENTAL INTEGRATION
2–5 OCTOBER 2023, RENDE (COSENZA), ITALY

The Official EMCEI's Journal

Dear colleague,

The editorial office of the Euro-Mediterranean Journal for Environmental Integration (EMJEI) at the University of Sfax (Tunisia) organizes the 5th EMCEI at the Congress Center of the University of Calabria (UNICAL campus) in Rende (Cosenza, southern Italy) in collaboration with UNICAL and other universities in the Euro-Mediterranean region and with Springer Nature as publishing partner.

The proceedings will be published in the Springer/IEREK ASTI Book Series (indexed in Scopus and SCImago) and extended papers will be published in Special Issues of EMJEI and other journals (indexed in Scopus and Web of Science).

Visit our website (www.emcei.net) to learn more about the event.

On this occasion, we are pleased to invite you to take part in the conference (in-person or virtually) and share/discuss your latest research findings.

EMCEI -23 Keypoints:

- The EMCEI is the largest conference covering all themes of environmental sciences and engineering in the Mediterranean region (400 attendees on average from over 50 countries).
- The conference aims to gather new research contributions from all disciplines of environmental earth sciences by scientists from diverse backgrounds, and thus makes an essential contribution towards ensuring that science and knowledge contribute to the promotion of a more sustainable environment for the Euro-Mediterranean and surrounding regions.
- The main objectives of the conference are to support research and innovation, to promote the exchange of scientific knowledge, and to foster collaboration among Euro-Mediterranean communities.
- The EMCEI-23 will take place on 2–5 October 2023 in Rende (Cosenza), Italy.
- It will go ahead in person but there will be a possibility to present online.
- It will feature talks and panels on new indicators and directions in research, development and innovations in the multidisciplinary fields of the environmental sciences.
- Abstract submissions (max. 350 words) will be accepted until 31 May 2023. Please read the [Guidelines](#).
- The EMCEI-23 encourages submissions of research works not only from the Euro-Mediterranean realm but from all regions of the world.
- Read about our EMCEI-23 [Publication Plan](#).
- Discover here the [Past Events](#).
- Contact us, if you need more information: contact@emcei.net
- Your participation in-person or virtually will support EMCEI's mission of ensuring a sustainable environment for societies in the region... Join us for a memorable experience!

We invite you to come to Rende (Cosenza) and contribute to and participate in an exciting conference in a stimulating environment!
